

## TESTIMONIAL FOR MR GERALD COOPER

My wife and I have known Gerald for over 30 years and during that time we have been very impressed with his competence not only with his wise and skilful placement of our money but also his very professional organisation.

Gerald regularly gets in touch with us and also visits us several times a year to review our situation and to make suggestions on any improvements he thinks he could make.

He has a very professional approach to his work and, after each visit to our home, he later forwards a very detailed report explaining the current situation.

We have been more than pleased with Gerald's service and would highly recommend to any future employer.
